CLASSIFICATION

TO : 25.50, 25.40

DATE: 30 October 1953

FROM : 25.50/RO

SUBJECT: GENERAL— Operational

SPECIFIC— VOB's Interest in Johann SANITZER

The VOB CE case officer who is working on the SANITZER case is very much interested in speaking to 25.40. I told him that I thought 25.40 would be in Vienna on a pleasure trip within the next couple of weeks. VOB's CO asked me if it would be possible for he and 25.40 to get together for a short chat while the latter is here. He feels that there is not the proper exchange of information between POB and VOB on this case and this might be resulting in an unnecessary duplication of effort. If 25.40 is interested in such an informal chat, I can arrange it at his convenience.
